## September Newsletter 2019

Dear Parents/Carers,

We are pleased to welcome everyone back this term and hope that you have all had a very enjoyable Summer break. We would like to extend a special welcome to the children and families who are new to the school. We hope you will be very happy at our school.

I would also like to introduce six new members of staff. Mr Broughton, Mrs Malcolm and Miss Wicks have joined the school as class teachers. Mrs Hooker and Mrs Winter have joined us as teaching assistants and Mrs Baker has joined our team of Midday Supervisors. I am sure you will join me in giving them all a warm welcome and wishing them a happy and successful time here.

We plan to send newsletters out on a more regular basis this year. We were aware that the length of the newsletters was becoming long and not really user friendly. Hopefully you will find a regular, shorter letter more useful.

As Parents/carers you have been invited collectively to attend the 'year ahead' information meeting. This will provide the opportunity for the routines and expectations for the forthcoming year to be explained. We hope this will ensure everybody receives the same correct information and confusion on for example P.E. or homework days is avoided. These meetings should only be brief and if there is any child specific information you would like to share with the teacher, time will be made available at the end for you to do this.
