## Ofsted July 2019 said...

...have high aspirations for the school, wanting every child to achieve the best they can.

Pupils said they feel safe in school... teachers listen to them and that there is always someone to talk to if they have a problem.

...create a welcoming and inclusive school environment which reflects the values that the school promotes.

Pupils are proud of their school, enjoy their learning .... Pupils feel that they are challenged to do their very best.
