

WILF: I can use causal connectives.

Cause

Effect

WILF: I can use causal connectives.

# Cause

It hasn't rained  
for a month...

so

# Effect

...the ground is dry  
and the crops are  
dead.

WILF: I can use causal connectives.

# Cause

I am going to a concert tonight

# Effect

...I will be excited all day!

which means that

WILF: I can use causal connectives.

Effect

Dinosaurs are extinct

because

Cause

an asteroid hit Earth.

WILF: I can use causal connectives.

Effect

The teachers are  
happy today,

because

Cause

they've had a pay rise!

 because

 if... then...

 so

 this means that

 consequently

# CAUSAL CONNECTIVES

 as a result

 therefore

 this causes
