Dear Parent/Carer,

I would like to start by welcoming everybody back to school. It was lovely seeing all the children arrive this morning going to their classes. The children certainly seem to be settling in well and getting to know the new routines in school.

I would like to remind you of the staggered start and end times to the school day. We are keeping children to their own class bubble when they are in school and the staggered start and end times to the school day are an important measure we have taken in trying to ensure we are able to maintain these bubbles.

While we can accommodate siblings of different age groups arriving together, it is important that the vast majority of children arrive and depart in the time sections we have allocated for their age group. I ask that you do not arrive early and assemble at the school gate, as this does not allow for others to enter school while social distancing, which we are trying to maintain.

I also ask that once children have been dropped off or collected people move away from school as quickly as possible, again to ensure space around the school gate for other year groups.

As a reminder, please see the table below for the staggered start and end times.

Year Groups	Group name	Start school	End school
Reception & Y1/2	Carle Mckee Donaldson Hargreaves	9:00 – 9:10	3:15 collection
Year 3/4	Alhberg Dahl King-Smith	8:50 – 9:00	3:05 collection
Year 5/6	Morpurgo Lewis Rowling	8:40 – 8:50	2:55 collection
Bus children		8:30 (stay on the playground until 8:40am)	3:05 collection

Thank you in advance for your understanding and cooperation, I am sure the new routines will soon become familiar to us all.

Yours sincerely

D. Pilsworth
