

Grayson (the football team captain) Reports: On the 24th September, the year 5 and 6 boys football team played away against a strong Pinchbeck East side. We worked together well as a team. We battled hard and created many chances that produced some great saves from their keeper. We also hit the post and bar but the ball wouldn't go in. Unfortunately, we lost 1-0 with the Pinchbeck team scoring from their only chance in the match. Well done to all of the team for their tireless efforts during the match.
