Wednesday 26<sup>th</sup> January 2022

On Wednesday the 26<sup>th</sup> January 2022, 11 children in year 5 and 6 went to the school games volleyball competition held at University Academy of Holbeach.

Throughout the day, both teams from our school worked really well together and were encouraging each other. Due to the positivity within our teams during the matches - we received praise from all the officials and Mr Gibson. He also commented on the excellent respect our teams showed towards their opponents, officials and each other.

Both teams played 4 matches in the morning and depending on the outcome of these we then also played matches in the afternoon. Both teams progressed to the top group of matches in the afternoon. Both teams played brilliantly in the morning and afternoon sessions displaying all our 5Cs.

One team came 4<sup>th</sup> and the other came 1<sup>st</sup> winning the competition and received the trophy. Well done to everyone who took part!
