			Positive and healthy attitudes towards food and activity encouraged.	
Increasing the level of activity at playtimes and lunchtimes	Guidance given to TA throughout the year with regular discussions with PE lead. Outdoor gym equipment purchased	TA to organise equipment and help the playground leaders to create activities for the children to do and personal challenges for them to achieve. RP provide active lunch time activities once a week. Outdoor gym equipment £12,000.	Increased amount of participation in activities at playtime as more activities are provided and coordinated by the supervisors and the playground leaders. Also these activities will be adapted and changed throughout the year. Eg setting up kick rounders for ks1 and rounders for ks2 In the summer terms. We have bought some playground leader tabards, squeezy whistles and lots more playground equipment. The leaders will also be promoting and organising activities and encouraging children to use the outdoor gym. More equipment has been bought such as more individual skipping ropes. More balls for children to play with. The children depending on the year group have been bought	

their general ball skills, catching and throwing and their hand eye coordination. Eg pomp om balls were bought for KS1. KS1 have specific hoops for them to use to improve their throwing accuracy into many nets. They have both small basket ball hoops and a three way general set of hoops. The children have also been bought penguin bowling sets with one per ks1 class to improve their accuracy and their participation. There will be children using this equipment which can have up to 15 children using it at any one time. The staff at playtune and dinner times will and oversee personal challenges completed on this equipment with the purchase of more timers

School focus with clarity on intended impact on pupils:	Actions to achieve	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
School Games Week To provide a taster for children to try a range of different sports and activities	Book external Karate coach to come in and deliver 30minutes sessions to all of the children in school. RP brought in a delivered new age Kurling to the children in KS2. Glow sticks were bought for SA to deliver clubbercise sessions for children. The healthy outlook crew organised and run parachute sessions with all of the children in KS1. Inflatable human table football was hired and used for a day for all of the children to do and	£750 - £1000	All of the children enjoyed the different activities. Some have gone to do Karate outside of school. Many of the children gave positive feedback about the different activities and would like a clubbercise club in September. The children gave feedback that they would like to do the human table football for longer too.	To have a clubbercise club in September and keep developing links with outside clubs such as the Karate and other

	experience. Footgolf was			
	created for all of the			
	children in school to do. All			
	the children in KS2			
	performed 10 athletic type			
	exercises to develop their			
	skills testing many physical			
	skills such as javelin, shot
