

THE HARROX WEEKLY

Curriculum Highlights

Key Stage 2 children have been involved in interhouse cross country competitions. Thank you to the sports leaders who have helped organise and run these events. Well done to Earth house who won the Y3/4 competition and also to Air House who won the Y5/6 competition.

During this week the wait eventually came to an end. The reception children have been excited as all 7 eggs hatched. For the next couple of weeks, the children will be caring for the chicks and observing them grow.

Our floral sporting displays are now up in Moulton Church. Please visit over the weekend to enjoy the variety of displays available. The event takes place throughout this weekend to coincide with the Spalding Tulip Festival.

Special Achievements

This week's Wow achievers were:

Charley, Abigail and Mirass presented a detailed timeline of the Apollo 11 moon landing including all the major events of the mission.

Brooke and Ryan wrote a detailed account about the International Space Centre including interesting facts about what it is like to live there.

Elle, Jake and Erin wrote a detailed newspaper report presenting all the important facts learnt about Galileo Galilei.

Liam and Sophia have retold the story of Beowulf using brilliant vocabulary.

A number of children were also nominated for a 5C badge for their cooperativeness in school. Well done to Mitchell, Caleb, Dwayne, Lila and Charlie.

Sporting News

The last hockey tournament of the season took place last Friday, Mrs Amess reported how well the children played and how amazing the progress has been from all the children throughout the year.

Y3/4 children enjoyed their cricket competition on Tuesday progressing through different rounds and eventually finishing 5th overall.

Our girls football team played again this week. Although losing 0-5 to St Norbert's, the children played very well. I hear there were a couple of unlucky deflections throughout the game.
