

THE HARROX WEEKLY

Curriculum Highlights

Welcome back, we hope you all had a wonderful half term.

Term 6 has got off to a flying start. Our year 3&4 children went on their trip to Nene Park (Ferry Meadows) in Peterborough. After learning about features and names of rivers the children carried out a river study, measuring the width, depth and flow of a small tributary. They also recorded wildlife they saw as well as the different land uses. I think they all thoroughly enjoyed their day out.

Donaldson class presented their assembly on Friday afternoon. This celebrated all the work they have been doing this academic year, and such a lot it is too. There were wonderful examples of artwork, writing, singing and reciting times tables. What a busy year.

There are still a number of tests taking place in school. Year 1 children are getting ready for their phonics check, year 2 children are completing their maths and reading tests and year 4 children have been taking their multiplication check. This has been a very busy start to the term. Well done to all the children for their hard work and determination.

Year 5&6 children have started rehearsing for their end of term production, Ali Baba and The Bongo Bandits.

The whole school is of course getting ready for next week's sports day. We hope the weather will be kind and you will be able to join us for this annual event. The children are certainly looking forward to it.

Special Achievements

Jake and Jacob wrote a wonderful description of Camp Green Lake from the story Holes.

Annie, Arina, Nellie and Ryan each created a beautiful Rainbow Fish inspired by the story.

Esther, Henry, Rex, Grace, Isabella and Jessie all wrote a fabulous retelling of The Light House Keeper's Lunch.

Isla wrote a detailed non-chronological report about Anglo-Saxon Kings.

Well done to Maria, Dwayne and Oscar for gaining their conscientious badge.

Also, to Nellie, Isaac, Fraser, Ben and Arthur for being awarded the cooperative badge.

Sporting News

The rounders season has started very positively with two home wins; one on the last day of term against St. Bartholemew's Primary School and another this week against St. John's School. Mr Broughton spoke highly of their performance and the improvement made between the games, particularly when fielding. We have many more sporting events to look forward to as the term progresses.
