

THE HARROX WEEKLY

Curriculum Highlights

While some of our year 6 children have been having taster days at UAH we have also been welcoming our September reception children in school for their afternoon taster sessions. We hope all the children have felt welcomed and reassured and ready for their starts at their respective new schools.

The children have been taking part in their passport days this week with KS1 having their passport day next week. The children have visited countries around the world focussing on physical and human geography of the countries as well as traditional customs and cultural aspects associated with the countries they have visited. KS1 visit Northern Ireland, Scotland, Wales and England. Years 3&4 visit Poland, France and Italy. Years 5&6 go further afield visiting, Australia, Ghana and Japan. The children always enjoy these enrichment days.

I of course must mention the fabulous year 5&6 performances of Ali Baba and the Bongo Bandits which took place this week. The children put on an amazing show, very polished and professional. A huge well done to all the children. Thank you all for your kind messages of appreciation.

Sporting News

The planned rounders semi final was postponed with a change of appointment. We will be playing Eye Primary School next Tuesday for the semi-final of the rounders league. Let's hope we are as successful as the England team were in their semi-final!
