

THE HARROX WEEKLY

Curriculum Highlights

As we break up at the end of term three for a week's holiday, I would like to wish you all a relaxing week ahead. We look forward to seeing the children again on 24th February.

The highlight of the week has been our Young Voices Choir trip to the Sheffield Arena. On Wednesday the children headed for Sheffield not quite knowing what to expect from the day. Once they arrived, they joined thousands of other school children from across the country to rehearse as one huge choir ready for their evening performance.

The entire performance was made up of performances from guest singers (N. C. Grammar, Tommy Blaize and Souparnika Nair) and an urban dance group. The performance of course also included our own fabulous choir.

It was a very long day as they did not return until approximately 11:45pm, but was thoroughly enjoyed by all, a true experience to remember for a long time to come. My thanks go to all staff who supported the children throughout the day.

Extra-Curricular News

Last Friday we took two hockey teams to Surfleet for a tournament with a number of other schools. It was a bitterly cold evening, but the children kept going and tried their best. The A team lost three and drew one match while the B team won three and drew one, topping their league. Well done to all our hockey players, hopefully the weather will be warmer next time they play.
