

# THE HARROX WEEKLY

## Curriculum Highlights

World Book Day was celebrated today, we encouraged the children to take part in a range of activities. The children have excelled themselves once again in their enthusiasm for the events. It is wonderful to see their excitement about the books they have read. Many children entered the design a character plate competition. Our reading ambassadors have judged the entries and will announce on Monday, the winners by phase throughout the school.

Many children also designed a T-shirt for a favourite book depicting the front cover and blurb, these looked amazing in school today.

In addition, children from reception to year 4 have all carried out a range of activities on the theme of the book, "I want A Dog." While children in years 5 & 6 have been investigating the history of children's literature.

It has been lovely to see the whole school come together in enjoyment and celebration of the fun of reading.
