

DAY	<u>AM SESSION 1</u>	<u>AM SESSION 2</u>
MONDAY 22 nd	<p><u>MATHS</u> In Maths this week we are continuing with the White Rose Maths units. Y4 are looking at decimals. Today you are focusing on writing decimals Y3 are looking at multiplication and division this week. Today you are multiplying & dividing by 4 and 8</p>	<p><u>English</u> For the different machines that Wallace invents, there is usually a button to press or a lever to pull. These then cause something to happen, which then means something else will happen after it. These means that there is a sequence of events that happens after the lever is pulled. We can write the sequence down on a flow diagram. There is an example on this in the resources. Your task is to write down a flow diagram for your chosen machine. For a bit of fun: Watch the Honda Cog advert as a great way to show cause and effect and how one action leads onto another. https://www.youtube.com/watch?v=i0j1bZ4_hCs</p>
TUESDAY 23 rd	<p><u>MATHS</u> Y4 – Today’s maths is focused on comparing decimals. Y3 – Today's maths is focused on multiplying 2-digit by 1-digit numbers</p>	<p><u>English</u> Complete the BBC bitesize lesson on subordination conjunctions https://www.bbc.co.uk/bitesize/articles/z6kj2sg</p>
WEDNESDAY 24 th	<p><u>MATHS</u> Y4 – Today’s maths is focused on order decimals. Y3 – Today you are dividing 2-digit numbers by a 1-digit number</p>	<p><u>English</u> Complete the BBC bitesize lesson on using brackets https://www.bbc.co.uk/bitesize/articles/zkfvngx</p>
THURSDAY 25 th	<p><u>MATHS</u> Y4 – Today’s maths is focused on rounding decimals. Y3 – You are solving problems involving multiplication and division</p>	<p><u>English</u> Using your blueprints and your flow diagrams as well as looking at the different examples of an explanation, your task today is to write your explanation of how your chosen machine works. Remember that you can include labelled diagrams in your explanation.</p>
FRIDAY 26 th	<p><u>MATHS</u> Y3&Y4 – There is a Sumdog challenge as well as the White Rose Maths challenge (in the year 3 unit).</p>	<p><u>English -</u> Today you are finishing and editing your explanation. If you want to you could create your own machine and write an explanation of how it works</p>

or you could create your own 'Honda Cog' advert and write an explanation of how it works.

OTHER CURRICULUM ACTIVITIES – REMEMBER ACTIVITIES ARE SUGGESTED, THEY ARE TO KEEP YOUR BRAIN BUSY.

Check the blog area of the website and look at the 'useful website' section. This gives even more things to try.

Geography- I can explain the causes and effects of flooding.

PE- I can keep active

Geography- I understand the causes and effects of water pollution.

Music- I can create my own piece of music based on a film I know.

RE- I can explore how different religions use art to express their beliefs

This site has lots of activities to get involved with subject by subject
