

Welcome to our Term 5 Menu!

Our menus offer a wide variety of tried & tested child-friendly recipes, that meet and often exceed the national standards for school lunches.

Full allergen information is available and special dietary requirements can be catered for. You can download the allergen information here idealschoolmeals.co.uk/

Should your child have a medically diagnosed allergy or health condition and you'd like to discuss what we can offer, please contact us.

Supporting the local economy and keeping food miles low is really important to us.

We're fortunate to have worked with two main, local suppliers from the outset.

The renowned Simpsons Butchers, supply our high welfare meat, traceable right back to the farm.

Jonathon Hull provides a large proportion of the fresh vegetables and potatoes used in our meals, many of which are grown in Lincolnshire.

More recently, we have started working with the fantastic team over at Bloomsbury Bakery. This Grantham based company, managed by a Father and son, have been trading for over 30 years.

Coming theme days...

World Circus Day shines a spotlight on circus creators, performers and artists. The history of circus can be traced back to the Roman era, where one of the most famous circuses could host 250,000 people at a time!

As one of the most popular and universal forms of entertainment, today brings circus art to the forefront, to create awareness for everyone involved in the industry.

Unleash your inner superhero for National Superhero Day! A day to recognise and appreciate all the heroic acts of kindness that people around us do, every day.

Whether it be helping an eldery person accross the street or donating to a charitable cause,

these are just some of the small but meaningful ways we can make a difference in our communities. So don your cape and join us in celebrating National Superhero Day!

Thurs 16th May

FRI SPACE

A fantastic day to celebrate all things to do with space, planets, stars and their observation. The day is dedicated to extraordinary achievements and opportunities that the exploration and use of outer space bring us.

School Meal Extravaganza
