Head Teacher: Mr. D. Pilsworth

I am writing to introduce myself to you all as the new Chair of Governors at The John Harrox Primary School.

My name is Mrs. Rebecca Edgeley. My background is in education as a teacher and SENDCo. I have also been a parent within the school since September 2020 and my children love their time at John Harrox, which is one of the reasons why I decided to become a parent governor.

It is with great enthusiasm and sense of privilege to have been newly elected as Chair of Governors for this academic year. I am looking forward to working with a great team of staff and the rest of the governors addressing vital aspects crucial to the school's development. I am going to be supported this academic year by the current Vice Chair Mr. Mark Haighton and Miss. Louise Pennington, who will be working together in their combined role as Vice Chair.

Governors are volunteers and our main role is to work with the school to ensure that your children receive the best education in a welcoming, supportive and safe environment. I have already been working as a Parent Governor for the past year and have enjoyed this role, which, complimented my own career background in Education where I was a teacher and Special Needs Co-ordinator.

At John Harrox Primary, the Governors, Headteacher, Senior Leadership Team and staff work together with the core values to underpin everything we do so that every child has access to an enriched education. The Governors monitor what happens in school focusing on the progress being made in relation to the school priorities in the School Development Plan.

The Autumn term is well under way and there are lots of exciting lessons and activities which are being delivered throughout the school. The children in our school achieve high standards and we are proud of them all and I would like to thank staff for facilitating this love of learning but also the parents who support their own children. I look forward to giving you updates throughout the year.

On Wednesday 25<sup>th</sup> September 8:45-9:45am we would like to invite parents/grandparents/carers to a Coffee morning alongside the Friends of the School. The Friends of the School also work hard to raise funds for the school. We are currently seeking more bodies to support the Friends of the School and we also have positions on the Governing body to add to our range of skills. If you would like to know more information regarding the role, please do not hesitate to ask Mr Pilsworth or myself, or simply come along to the coffee morning.

I wish you and your children a successful year.

Rebecca Edgeley  
Chair of Governors.
